2. The minutes of the said Meeting duly approved by the Chairman circulated vide letter dated 16.01.2015 are placed as Annexure 'A' for ready reference and perusal. As per the approved minutes of the said FIAC Meeting, the Committee decided not to open the bids document of State Bank of India (SBI), as the Board in its 205th Meeting decided to appoint SBI on nomination basis. Accordingly, the bid documents submitted by SBI were not opened. Thereafter, the bid documents of remaining 7 bidders were opened for evaluation.

3. After evaluation of Pre-Qualification (PQ) bids, out of the 7 bidders, one namely Axis Asset Management Ltd. was disqualified for the reasons recorded in the minutes. As per the RFP for the purpose, the technical bids of only those bidders were to be opened that qualified in the PQ stage. Accordingly, the technical bids of remaining 6 bidders (out of 8, one namely State Bank of India was appointed on nomination basis, and two namely Axis Asset Management Ltd. was disqualified in PQ stage) were opened by the Committee for
evaluation of the same by the Consultant, Ms/ CRISIL. It was directed by FIAC that they may be evaluated by the Consultant latest by 19th January, 2015 so that financial bids of all those bidders that qualify on technical parameters are opened by the FIAC on 20th January, 2015 i.e. the day scheduled for opening of financial bids.

4. The Consultant, M/s. CRISIL evaluated the technical bids of 6 entities who qualified in pre-qualification stage. After evaluation of technical bids, list of the successful bidders for opening of financial bids shall be placed by the Consultant before the FIAC on 20th January, 2015.

5. It is highlighted that on the last occasion in 2011, while deliberating the recommendation of Sub-Committee constituted for the purpose (Minutes of Committee placed as Annexure 'B'), apart from recommending the names of successful bidders for appointment as Portfolio Managers of EPFO, FIAC also recommended the allocation of funds amongst the selected Portfolio Managers of EPFO to the Central Board of Trustees (CBT), EPF (Minutes of 105th FIC held on 27.07.2011 placed as Annexure 'C').

6. Accordingly, the item is placed before the Committee for:

(ii). Recommending to the CBT the number and names of Portfolio Managers to be appointed to manage EPFO corpus.

(ii). Also recommending to the CBT, allocation of funds amongst the selected Portfolio Managers of EPFO.

   The copy of the minutes of the selection Committee on 13.07.2011, in which the selection was finalised, was also placed before the FIC.

   b) CRISIL, the consultant, made a presentation to FIC on the process and criteria followed for the selection of Fund Managers.

   c) The committee was informed that 11 Expression of Interest (EOI) were received after the advertisement, and 10 of them were found eligible for issuing the Request for Proposal document. All 10 entities submitted the completed RFP document including technical and financial bids. The technical evaluation consisted of a detailed set of quantitative and qualitative parameters and whightage of each such parameters as decided beforehand. It was also decided to keep 65% as minimum qualifying score in technical bid for
consideration for opening of financial bid. The complete set of scoring was made available in the addendum.

d) Out of 10 technical bids only 5 applicants qualified by scoring more than minimum 65% criteria and their financial bids were opened on 08.07.2011.

e) The final report on the basis of combined score of technical and financial bids was submitted by the consultant, CRISIL on 13.07.2011, which was placed and discussed by the selection Committee on the same day.

f) The FIC after examining the Agenda note, the Addendum to agenda note and the recommendations of the selection committee decided to recommend the above mentioned 4 fund managers (Para.(a) of Item No. 3) to the CBT for appointment of fund managers from 01.09.2011 for a period of 3 years.

g) Further, based on the deliberations at FIC, it was observed that there was a wide variation among the fund managers with respect to the financial bids. On an average accretion of Rs. 20,000 crore per annum to each bidder, the fee payable to the lowest bidder (ICICI Securities Primary Dealer) would be Rs.6 lacs, Rs.8 lacs to the next lowest bidder (Reliance Capital AMC), Rs.72 lacs to the next lowest bidder (HSBC AMC) and Rs.2 crore to the highest bidder (State Bank of India). The members of FIC were not comfortable with this wide variation and therefore recommended that the fund allocation should be done in relation to the financial bids. Accordingly, FIC recommended that the funds be allocated in the following proportion:

- ICICI Securities Primary Dealership – 35%
- Reliance Capital AMC – 35%
- HSBC AMC – 20%
- State Bank of India – 10%

The meeting ended with vote of thanks to the Chair.
