ITEM NO.: 3

To prescribe "medical examination" for pension fund member to determine whether he is permanently and totally unfit for the employment, entitling him for monthly pension.

As per para 15 of Employees' Pension Scheme, 1995 a pension fund member who is permanently and totally disabled during the employment shall be entitled to monthly pension. Permanent total disablement has been defined under para 2(xvi) of Employees' Pension Scheme'95. Both para 15 and para 2(xvi) are reproduced hereunder:

Para 15:

(1) A member, who is permanently and totally disabled during the employment shall be entitled to pension as admissible under sub-paragraph (2) to (5) of paragraph 12 as the case may be subject to a minimum of Rs.250/- per month notwithstanding the fact that he/she has not rendered the pensionable service entitling him/her to pension under paragraph 12 provided that she/he has made at least one month's contribution to the Pension Fund.

(2) The Monthly Member's Pension in such cases shall be payable from the date following the date of permanent total disablement and shall be tenable for the lifetime of the member.

(3) A member applying for benefits under this paragraph shall be required to undergo such medical examination as may be prescribed by the Central Board to determine whether or not he or she is permanently and totally unfit for the employment which he or she was doing at the time of such disablement."
PARA 2(xvi)

"Permanent total disablement" means such disablement of permanent nature as incapacitates an employee for all work which he/she was capable of performing at the time of disablement, regardless whether such disablement is sustained in the course of employment or otherwise.

It may be seen that as per sub-para (3) of para 15, a Pension Fund Member applying for benefits shall be required to undergo such medical examination as may be prescribed by the Central Board to determine whether or not a Pension Fund Member is permanently and totally unfit for the employment which he was doing at the time of such disablement.

In Employees' Pension Scheme'95, there is no specific provision relating to "Medical Examination" that the Pension Fund member is required to undergo to claim benefits for which he is eligible under para 15 of Employees' Pension Scheme'95. It has therefore, become necessary that the Central Board prescribes the "Medical Examination" for such purposes. For such like cases under the provisions of ESI Act'48 and the workmen's compensation Act, the determination of capacity loss requires examination and certification by a Medical Board.

The relevant provisions relating to determination of question of disablement and constitution of Medical Board under the provisions of ESI Act, 1948 and ESI(General) Regulations, 1950 have been consulted. Section 54 of ESI Act, 1948 and Regulation 75 of ESI(General) Regulation, 1950 provides for determination of question of disablement and constitution of medical board respectively. For ready reference these provisions are reproduced as under:-
SECTION 54 OF ESI ACT, 1948

Determination of question of disablement:

(a) Whether the relevant accident has resulted in permanent disablement; or

(b) Whether the extent of loss of earning capacity can be assessed provisionally or finally; or

(c) Whether the assessment of the proportion of the loss of earning capacity is provisional or final; or

(d) In the case of provisional assessment, as to the period for which such assessment shall hold good;

shall be determined by a medical board constituted in accordance with the provisions of the regulations and any such question shall hereinafter be referred to as the "disablement question".

REGULATION 75 OF ESI(GENERAL) REGULATION, 1950

"Medical Boards" for the purposes of the Act and the Special Boards for the purposes of Regulation 74 shall be constituted by the Corporation and where it so desires it may approach the State Government for setting up the same and shall consist of such persons, have such jurisdiction and follow such procedure as the Director-General may from time to time."

It may be seen from the above that under the ESI Act, question of disablement is determined by making a reference to the Medical Board constituted in accordance with above regulation. Such like provisions need be prescribed for E.P.F. Pension Fund Members.
The Board may accordingly like to consider and prescribed the requirement of obtaining and furnishing Medical Certificate about invalidation from the Medical Board of the area constituted where the member resides, constituted either by the Central Government of the State Government or the ESI Authorities or any other Local Authority competent to constitute such a Medical Board.

Board may accordingly consider the issue and decide the level of medical authority need be consulted and the process for such consultation.
As directed by the Secretary, Labour and Chairman, Pension Implementation Committee and upon finalisation of Banking arrangement, a Banking Manual incorporating the operational procedure for regulating disbursement of pension payments through Nationalised Banks as contained in Para 33 of Employees' Pension Scheme 1995 has been prepared and may be seen annexed herewith.

The draft Banking Manual, after its approval by Pension Implementation Committee is proposed to be sent to I.B.A. and the participating banks for their concurrence before its implementation.

The proposal is submitted for consideration and approval.

ITEM NO.5(a): TO BE PLACED IN THE MEETING OF PENSION IMPLEMENTATION COMMITTEE.

ALLOWING PENSION TO DISABLED CHILDREN IRRESPECTIVE OF THEIR AGE AND NUMBER OF CHILDREN.

Standing Committee on Parliament for Labour and Welfare while clearing the Pension Bill have made recommendation suggesting amendment to the Employees' Pension Scheme' 1995 which is as follow:-

"In the Pension Scheme there should be a provision for providing Pension to disabled children irrespective of age who are unable to earn. This should also be over and above the ceiling of two eligible children who would be otherwise eligible to get pension."

In this regard an item was placed in the VIth Meeting of Pension Implementation Committee held on 26.4.96 for considering the recommendations of the Standing Committee. The Pension Implementation Committee after discussion decided that a full-fledged proposal may be put up in consultation with the Actuary in the next meeting of the Pension Implementation Committee. Accordingly, a reference was made to the Actuary who has opined vide his letter dated 3.6.96 that this can be accommodated.(Copy enclosed)

In view of above, in order to allow Pension to disabled children irrespective of their age and number of children, Employees' Pension Scheme'95 may be amended by adding a separate para under sub-para (3) of Para 16 as under:-

"If the deceased member is survived by disabled children within the definition of family and the disablement is such that it incapacitates the
child with earning capacity for his livelihood, then on certification by competent medical authority, such children shall be entitled to a Monthly Children Pension as prescribed subject to further following condition that:

(a) Such Pension to disabled children shall be payable irrespective of any age bar for life; and

(b) The pension shall be admissible to all such children irrespective of their number and restriction of pension to two children at a time.

The proposal is submitted for consideration and approval.
ITEM NO.: 3(b)

PRESCRIBING TIME LIMIT FOR PAYMENT OF MONTHLY PENSION TO "NOMINEE".

As per para 5(a) of para 16 of Employees' Pension Scheme, 1995, a member who is not married or who does not have any living spouse and/or an eligible child, may nominate a person to receive benefits as admissible under sub-clause (i) and (ii) of clause(a) of sub-para (2) of para 16. In the event of death of the member, such a nominee shall be entitled to receive a monthly pension equal to the monthly widow pension as stated hereinabove.

2. No restriction has been prescribed for selecting a nominee nor any limit about period for payment of such pension has been prescribed. As a result of this in all likelihood, the members may choose very young persons as their nominee and in such a case the pensionary liability will be required to be borne for an unusually long duration of 50 years or more, which will put avoidable strain on the fund. In cases of widow pension and children pension, a normal cut off applies by way of remarriage and age bar respectively. Some such limitation would be desirable to be prescribed in the case of nominee pension too, instead of keeping it open ended. It is, therefore, suggested that in the case of pension payment to nominee, a provision may be added to the effect that the nominee pension shall be payable till the nominee survives or subject to a maximum period of 20 years whichever is earlier.

The proposal is submitted for consideration and approval please.
ITEM NO.: 5(C)

ALLOWING PENSION PAYMENT TO DEPENDENT PARENTS IN THE ABSENCE OF FAMILY MEMBERS.

Consequent upon introduction of the Employees' Pension Scheme-1995, the former Labour Minister had taken a meeting with the Members of Parliament, Central Trade Union Leaders and CBT's members in Vigyan Bhawan on 19.12.95. During the meeting Mr. R.S. Rawat, MP had made a suggestion to amend the EPS-95 so as to allow pension to dependent parents in case the deceased member is not survived by the family members. The suggestion put-forth by the Member of Parliament is reproduced as under:-

"In the event of death of member without nomination and having no family to receive pension, the pension in that case may be authorised and paid to surviving dependent parents of the deceased member."

On the above issue Actuary was consulted who has furnished his opinion as under:-

"Proposal has been made that in the absence of Children, benefits should be passed on to the dependent parents.

We feel that a nomination to that effect should be made to authorise the Trustee to make payments.

In absence of any nomination, a grant from Court of Law will be required.

Following are our reasons for advising as above:

1) Such provision of payment to parents without nomination does not exist under any Employee Benefit Act like: Employees' Provident Fund Act, 1952
   The Payment of Gratuity Act, 1972
   The payment of Bonus Act, 1965
   Workmens Compensation Act
   Employees State Insurance Act, 1948"
(2) In the event the Member nominates someone else other than parents by way of a will, which will not be known to the Trustees, in such cases payment to parents will lead to dispute.

(3) Such provision is also contrary to the provisions of Indian Succession Act. Any provision in a scheme in contradiction to the Law of the land stands vindicated.

(4) Since the parents will be of advanced age, therefore amount of pension payment will be less compared to contribution paid by the Member. Such an arrangement will not be equitable. Therefore, it will not be correct for Trustees to make such payment, without specific request from a member.

Even though the Actuary has expressed reservation with the proposal put-forth by the Member of Parliament, it is proposed that in keeping with the response that was expressed by the Hon'ble Labour Minister at the meeting, the proposal may be sent to the Government for considering the suggestion favourably and amending the Employees' Pension Scheme'1995 appropriately so as to allow pension to dependent parents in case the deceased member is not survived by family members. Such cases will be very far and few having not much financial impact but will take care of social sentimental feeling at large.

The proposal is submitted for consideration.
